

## Cinderella Sidelined

Im the girl you hated in high school. You know, the one with the hot boyfriend, the college scholarship, the flawless skin, the perfect life. I go to the best parties. I hang out with the coolest people. And I dont worry about a thing. Im a star volleyball player, a two-time state champion. Life is good. Until I lose it all. A freak injury, and now Im left fighting to hold on to everything I once knew. The only escape? Pretending to be someone else for a few hours everyday in the school play. Now Im spending time with the people I once laughed at, and with each passing day, Im growing more and more distant from the life I used to love. Russ Vincent is the plays gorgeous male lead, a writer/singer/actor/whatever. He knows about Emma Thompson everyone in school does but when he meets her outside the auditorium, he realizes shes someone who knows what she wants, but cant seem to figure out what she needs. Can Russ figure out how to show Emma where she needs to go to find a life worth living? Or will Emma run back to the safety of a life shes always known?
