

Hostage Three

As Amy sets out to sea with her family on a yacht, she's only thinking about the peaceful waters and the warm sun. But she doesn't get either after a group of pirates seize the boat and its human cargo, and the family becomes a commodity in a highly sophisticated transaction. Hostage One is Amy's father--the most valuable. Hostage Three is Amy, who can't believe the nightmare she's in. But something even stranger happens as she builds a bond with one of her captors, making it brutally clear that the price of life and its value are two very different things.
