

The Hut: The Hut in the Forest (Treasures Retold Book 4)

Once upon a time in a world where magic and technology collide with unexpected consequences As a mechanic, Tessa lives a dangerous live ever since the new king outlawed technology. Little does she suspect the true reason for this law. But when she discovers a hut in the forest with an obviously cursed inhabitant, she gets drawn into a political intrigue that might destroy not only the kingdom but her family too. What if the Brothers Grimm misjudged the strength and intent of the curse on The Hut in the Forest? The book includes a bonus story and the original fairy tale. About the Series This fantasy novella series combines sorcery and science. It features retellings of your favorite fairy tales and of tales youve never heard. The fairy tales are suitable for teens and older readers alike, mixing steampunk fiction with magical elements in a fantasy world on threshold of technological advance. If the traditional once upon a time opening still captures your imagination, you will love these tales. DRM-free DRM is a form of coding than makes it impossible to legally use an eBook on other eReaders. Since I dont want to patronize my readers, I am not using DRM. This way, everyone who buys one of my eBooks can convert it into the format supported by his/her eReader.
