

Winning Craps Money: Win WITH the House

Here, you'll learn how to drive the odds down to the lowest found anywhere in the casino. When you get the house odds below 1% - you have the only chance the casinos will give you to win consistently. But, you need more - you need the exclusive strategies that the Author has tested during decades of playing Craps. You need the knowledge of where, when, and how to place the bets that the house doesn't advertise. You need a full understanding of the odds - taught in a clear, simple manner. You need to recognize the sucker bets in order to avoid them. You need to develop these exciting, unique techniques taught in this book to win an amazing \$20 a minute - consistently. You need this book *Winning Craps Money*. Only a very small percentage of Craps players know how all this is done. Now, you can join us!
