

## Jumping Pack of 6 (Cambridge Reading)

Cambridge Reading is a major new reading scheme which provides stimulating books and support materials for the teaching of reading throughout the primary years. Key features include: a coherent yet flexible structure for teaching and learning; a variety of attractive picture books; a balance of text types and genres, including stories, poems and information books; an integrated phonics programme; comprehensive support materials. The thirty Beginning to Read books give children a first experience of reading. In Jumping, which has simple rhyming text by Richard Brown and Kate Ruttell, a small girl and boy are shown exploring the world in their own individual way. Heather Clarke's pictures show the children in a variety of familiar situations and the patterned text is easy for beginners to follow and enjoy.
