December 21, 2012 - Will that fateful day destroy our world, or did the Mayans have something else in mind? Maya Delaney knows. Unfortunately. Maya Delaney is just an average sixteen-year-old. She's busy dealing with exams, her soon-to-be ex-boyfriend and fitting in. But Mayas got bigger problems. She's hiding a major secret from her dad and having strange visions she can't control. In her struggle to figure out who she is, she learns that she is meant to fulfill an ancient Mayan Prophecy and bring forth a New Age on earth. Will the spirit magic Maya wields be enough to defeat Toltec, an evil society bent on keeping her from her destiny? Or will that destiny destroy her?
