

Memoirs of Drunken Dementia: A Rip Roaring Laugh-Out-Loud Comedy About Drunken Debauchery and Vagrancy with A Dash of Mental Illness

A Rip Roaring Laugh-Out-Loud Comedy About Drunken Debauchery and Vagrancy with A Dash of Mental Illness. Memoirs of Drunken Dementia is a journey of one mans drunken memories over the years that he has suffered with his mental illness whilst attempting to survive in a society that does not recognise mental health issues. There are a number of tales and recounts some clearly fabricated to the extreme in order to extract as much humour from this otherwise marginalised individuals situation.
