

# Jasper

Schools out. Opal and her friend Fern are looking for summer jobs without success. It even gives Opal bad dreams. A lady keeps calling her on the phone but she never gets hired. They apply for every fast food position in the shopping center. In the parking lot a dude is handing out windshield advertisements about jobs in Alberta, Canada at a swanky resort. The notices are signed by a lady named Jasper. Who is Jasper? Opal looks at the dude and sees a precious jasper stone on a gold band dangling from his neck. When she stares at the stone eyes are staring back at her - the same eyes she saw in her nightmare. Jasper is brought to you by Edward Ware Thrillers YA, an imprint of Cheops Books, LLC. If you liked Jasper, you will enjoy Linda Cargill's other young adult thrillers such as Dear Diary, Gold Hair, Thorns, Attic, and Lighthouse.
