

Cherry Money Baby

Hollywood glitz collides with workingclass aspirations in this satirical tale of an impulsive starlet and a sharp-witted small-town teen. Cherry Kerrigan loves her simple life, her familys tiny trailer, even working at Burrito Barn. Forget college shes marrying her sweetheart from next door. But here comes Ardelia Deen, a glamorous starlet who sweeps Cherry into a world of fast cars and penthouse parties. Now Cherrys small-town life just seems so . . . small. When Ardelia drops a bomb of an offer one involving a baby Cherry knows her life will change forever, no matter what she decides. John M. Cusick focuses his signature wit on Hollywood royalty and the wide-eyed dreams of Small Town, U.S.A. in a novel about discovering who you are . . . and changing your mind.
