

Kaffe Fassett's Quilts in Morocco: 20 Designs from Rowan for Patchwork and Quilting

This is the latest from Kaffe Fassett's bestselling quilting series. It features 20 new detailed, illustrated projects suitable for beginners. It includes an inspirational gallery of quilts photographed on location in Fez, Morocco. Kaffe's new collection of quilts is showcased in the richly decorated houses and gardens of the old quarter of Fez in Morocco: the perfect partner for his brilliantly coloured designs. The 20 new quilts, created by Kaffe and his team, feature the current range of Kaffe Fassett fabrics. Each quilt has detailed, illustrated how-to-make instructions, backed up with a general patchwork know-how section for novice quilt makers.
