

A Book of Folk-lore: (Forgotten Books)

Book Description: The word folk-lore (lore = knowledge) was first used by the British archaeologist William J. Thomas in a letter published by the London Journal Athenaeum in 1846. Folklore is the body of expressive culture, including tales, music, dance, legends, oral history, proverbs, jokes, popular beliefs, customs, and so forth within a particular population comprising the traditions (including oral traditions) of that culture, subculture, or group. It is also the set of practices through which those expressive genres are shared. The academic and usually ethnographic study of folklore is sometimes called folkloristics. (Quote from wikipedia.org)Table of Contents: Publishers Preface; Preliminary; The Spirit Of Man; The Body Of Man; The Ancient Divinities; Sacrifice; The Mystery Of Death; Fetches; Skulls; Pixies And Brownies; Birth And Marriage; EndnotesAbout the Publisher: Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, Esoteric and Mythology. www.forgottenbooks.orgForgotten Books is about sharing information, not about making money. All books are priced at wholesale prices. We are also the only publisher we know of to print in large sans-serif font, which is proven to make the text easier to read and put less strain on your eyes.
