

Korean War Almanac

Aimed at the general reader, this reference work provides an overview of the Korean Wars major phases, plus background information on the history of Korea. It gives a chronology of events and numerous articles on the people, battles, weapons and key concepts. Part 1 of the volume contains a concise assessment of the historical and geographical realities that shaped the war. Part 2 offers a detailed chronology of events and Part 3 incorporates 375 articles concerning key personalities, battle strategies and weapons, and military units and awards in the war.
