

Kings Gambit (Grandmaster Guide)

Chess had a golden era when The Kings Gambit was the favorite opening of every attacking player. In the glory days of Paul Morphy it was considered almost cowardly to play anything else. Legends such as Spassky and Bronstein kept the flame burning in the 20th century, but its popularity faded as players became distrustful of Whites ultra-aggressive approach. Nevertheless there are honorable exceptions whose games prove that this ancient weapon can still draw blood Short, Nakamura and Zvjaginsev are world-class players who have used the Kings Gambit successfully. In this groundbreaking work, grandmaster John Shaw shows that the ultimate Romantic chess opening remains relevant and dangerous even in the computer era.

: The Kings Gambit (Grandmaster Guides): John Shaw, John. The Kings Gambit: A Grandmaster Guide. Glasgow: Quality Chess, 2013. 680pp. ISBN 978-1906552718.
