

Learn Windows XP In a Weekend (In a Weekend (Premier Press))

With this fast-track guide, you'll be using Windows XP like a pro after just one weekend! It's simple. On Friday, you begin by exploring the basics of Windows XP--the desktop, new features, and where to go if you need help. On Saturday, you jump online with the new Internet features and begin an adventure into media--downloading CD clips, watching movie trailers, and capturing pictures. Wrap things up on Sunday as you master system tools and learn how to set up multiple user accounts while maintaining your own personalized workspace.
