

# Led Zeppelin Guitar Method: Immerse Yourself in the Music and Mythology of Led Zeppelin as You Learn to Play Guitar

Through the years Jimmy Pages guitar playing has inspired countless music fans to play guitar. The Led Zeppelin Guitar Method, the first method to feature Led Zeppelin songs, teaches you everything you need to know to get started playing---even if you have never touched a guitar before. Start by learning the basics like how to hold the guitar and how to read standard music notation and TAB. By the time you complete the book, you will be playing authentic arrangements of classic Led Zeppelin songs. This easy-to-use beginning course will prepare you to play from sheet music and get you ready to play in a band. Historical facts and photos of Led Zeppelin are featured throughout to keep you inspired. The included enhanced CD demonstrates all the songs and exercises in the book and the Tone N Tempo changer is an invaluable tool in your journey to learn the guitar. Overall, the Led Zeppelin Guitar Method is a standout and well welcomed addition to the ever growing library of guitar method books out there, and would definitely be an excellent part to any guitarists personal library.
