

Pretty Girl-13

Reminiscent of the Elizabeth Smart case, *Pretty Girl-13* is a disturbing and powerful psychological thriller about a girl who must piece together the mystery of her kidnapping and abuse. Perfect for fans of books like Jay Ashers *Thirteen Reasons Why*, Elizabeth Scotts *Living Dead Girl*, and Caroline B. Cooneys *The Face on the Milk Carton* series, *Pretty Girl-13* is a haunting yet ultimately uplifting story about the healing power of courage, hope, and love. Angie Chapman was thirteen years old when she ventured into the woods on a Girl Scout camping trip. Now she's returned home . . . only to find that it's three years later and she's sixteen or at least that's what everyone tells her. What happened to the last three years of her life? With a tremendous amount of courage, Angie embarks on a journey to discover the fragments of her lost time. She eventually discovers a terrifying secret and must decide: what do you do when you remember things you wish you could forget?
