

Lmt for Urs Loss Management Techniques for the Ultimate Roulette System Range

LMT or Loss Management Technique, is vital for all gamblers to apply in order to maximise their winnings and minimise their losses. Learning the techniques in this book will greatly improve your roulette game. The principles can also be applied to other types of gambling games, however this book was specifically written for use with the Ultimate Roulette System (URS) range of roulette products. You will learn how to spot when to raise your stakes or when to lower them, how to double your chances of winning by observing patterns in the roulette game. You will learn how to calculate risk and how to apply this knowledge to making regular winnings with roulette. You will learn when to quit and when to go on betting, and you will learn the best ways to use the URS range of products for maximum results.
