

Shipwreck on ShadowWorld

Thirteen year old Jim survives a fiery crash landing in the desolate landscape of ShadowWorld, only to come face to face with bizarre aliens, mystifying cultures, and an unforgiving planet as he searches for rescue. Novella is first in a series of adventures following Jim, future Prince of the Frontier Worlds. This book was an awesome adventure... took me to strange places where I got to meet some very interesting characters. 5 stars -- Dan Absalonson, author and audiobook narrator.
