

Love Me To Death

Brennan Cole... Is a player. He sleeps with women at night and kicks them out of his bed by morning. NO strings. NO attachments. And NO falling in love. But not even his good looks, hot body or sexy way with words can get him out of the eviction notice stuck on his door. Desperate for money and running out of time he finds himself signing a contract for an acting job that is about to break every rule that hes ever made... Neddie Waters... Is dying. With only a year left to live, falling in love is the last thing that she wants to do. But with a mother desperate to see her find her one true love before her final days and an inability to say no to the one woman that she loves more than anything in the world, Neddie sets herself a simple task... 1. Hire someone to play her lover. 2. Dont fall in love. Easy...right?
