

## Love Songs (Secret Songbook) (Volume 1)

Sixteen year old Kaley Thorne is invisible. Or she may as well be anyway. All her emotions, thoughts, and dramas go into her secret songbook. Music is her passion, her escape, and her hidden talent. Her songbook is her diary, singing everything she is too shy to speak. When the most popular guy in school actually sees her and invites her on a date, the experiences she has to write about skyrocket. First love, first kiss, and first heartbreak, everything is funnelled into her songs. For this songwriter, life is nothing but fodder for her music. As she rides the rollercoaster of her teens, the shy and invisible girl must find her inner diva. Only when she can find her voice, can she finally speak.
