Warning: Extremely graphic sexual imagery. 18+ Excerpt from Lusty Librarians Angie and Bonnie were the first in the libraris conference room for the meeting. They had always been attracted to each other but had never done anything more than flirt since Bonnie had started work there. They didnt know each other that well, but they both could tell the other was also hot for their boss Mary. Mary was in her thirties and the exact stereotype of the stern librarian who is always shushing her patrons. Well, almost. Even though she was very strict, she had a slamming body that could not be hidden, even under dowdy skirts and high-necked blouses. At exactly 1pm, the time of the meeting, Mary walked in with her papers and laptop. She nodded briskly to the other women and set up her presentation. They talked about funds for the library, the local voter registration drive and last, about how to keep the patrons from downloading porn on the libraries computers. It seems like every time IT plugs a hole, someone finds a way in. Mary said. Bonnie and Angie looked at each other and giggled because Mary clearly didnt realize how dirty she sounded. Mary looked at them over her glasses. Whats so funny? she demanded. Um, nothing Bonnie replied, looking at the table. Mary sighed and took off her glasses. Angie could see now how beautiful her big brown eyes really were. I know this talk of porn may be embarrassing to you. Mary said. Its not something thats easy to talk about. Oh, its okay. Talk to me about it as much as you like. Angie murmured. She was so under the spell of Marys gorgeous eyes, she forgot she was at work and talking to her boss. Mary stared at her while Bonnie sat there with her mouth open. Do you think you are being funny? Mary tersely replied. Angie looked down. No, sorry. Sorry what? Mary insisted. Angie raised

her head. Sorry...maam? No, Mary calmly said. Sorry, mistress. Angies eyes bulged out of her head. What the... Mary smiled. You are not the only one who can make inappropriate comments at work. Laughing nervously, Angie said, Well in that case, I think you are really hot. Now Bonnie knew Angie had gone too far. Mary stood and walked over to the door. At first, the girls thought she was going to order them out. Instead, she locked it. She walked back to the table and raised her foot on the chair. With her leg exposed, Bonnie and Angie could see her slim muscular thigh. She cocked her finger at Angie. Come here. Put your hands on my leg. Angie reached out in disbelief and lightly touched Marys leg. Run your hands higher. Mary ordered.
