

SHOTGUN PREACHER

The day when the living dead began walking the Earth, John thought his whole world had ended. Separated from his wife and daughter by cruel circumstances, he must venture out into a world of madness and chaos. His one and only goal to seek them out and find peace once again in their arms. He expected to find the dead along the way, what he did not expect to find was love in the most unexpected of places and a battle for his heart and for his soul.
