

## The Story of Mad Maxine (short story)

This is a story of girl meets boy. The girl, Maxine-called-Max, never thought she would find love before she died. The boy, Phil-her-husband, never thought he would get a girl like Max to look at him. This is not a love story. That story is over before this one begins. This is a story of fixation. Perfect for a quick Halloween read, or when you want to spook yourself late at night.
