

Master Thieves: The Boston Gangsters Who Pulled Off the Worlds Greatest Art Heist (Thorndike Large Print Crime Scene)

In a secret meeting in 1981, a low-level Boston thief gave a career gangster the tip of a lifetime: the Isabella Stewart Gardner Museum was a big score waiting to happen. When it finally did, nearly a decade later, the theft quickly became one of the most infamous art heists in history: thirteen works of art valued at up to \$500 million were taken. Investigative reporter Stephen Kurkjian sheds new light on the case, still unsolved twenty-five years later.
