

Student Value Edition for Foundations of Macroeconomics plus MyEconLab plus eBook 1-semester Student Access Kit (3rd Edition)

Using economics is the best way to learn economics. Research shows the best way to learn is to put concepts to work through repeated practice. For this reason, frequent, quality practice is the cornerstone of the tightly knit Foundations of Macroeconomics learning system. The Checklist/Checkpoint system hones students economic thinking skills by: Focusing students on what to study with a Checklist of clearly defined core concepts Demonstrating how to apply economics concepts through Checkpoints that step students through a Practice Problem and follow up with a parallel Exercise Addressing why we study economics with, Reality Check, a new feature that links economic ideas to everyday life and shows why economics matters. MyEconLab for Foundations gets you up to speed in class. With tools tied directly to your text and every Checkpoint problem and exercise available online, you'll get the immediate, targeted help you need. Economics in the News features, updated daily, link you to current news stories complete with questions written by the textbook authors
