

## Midnight in Savannah: Sexual Indiscretions in the Deep South

Midnight in Savannah is the deliberately more explicit, and more entertaining alternative to the John Berendt / Clint Eastwood *Midnight in the Garden of Good and Evil*. For more than a year after its appearance in 2000, it was one of the best-selling GLBT books in the Deep South. *Midnight in Savannah* skillfully incorporates Carson McCullers, Pamela Harriman, Libby Holman, the City of Savannah, and references to Georgias most famous (recent) murder into one delectable whole. This book is not altogether straight, but it certainly isnt altogether gay, either. Pan-sexual and Southern might be its best description, permeated throughout with a morality thats more than a bit untidy. But considering what tends to happen after dark in Savannah, who cares? Darwin Porter is a native-born Southerner whos also the author of two of Americas best-selling travel guides *Frommers Guide to Savannah* and *Frommers Guide to The Carolinas and Georgia*. *Midnight in Savannah* evolved from his intense exposure to that city, and to his belief that John Berendt only told a fraction of the real story. *Midnight in Savannah* is a steamy romp that explores the sexuality of one of the Old Souths most bizarre cities. --The New York Blade. In *Midnight*, both Lavender Morgan (At 72, the worlds oldest courtesan) and Tipper Zelda (an obese, fading chanteuse taunted as the black widow) purchase lust from sexually conflicted young men with drop-dead faces, chiseled bodies, and genetically gifted crotches. These women once relied on their physicality to steal the hearts and fortunes of the worlds richest and most powerful men. Now, as they slide closer every day to joining the corpses of their former husbands, these once-beautiful women must depend, in a perverse twist of fate, on sexual outlaws for le petit mort. And to survive, the hustlers must idle their personal dreams while struggling to cajole what they need from a

sexual liaison they detest. Mendacity reigns. Perversity in extremis. Physical beauty as living hell. Cat on A Hot Tin Roofs Big Daddy must be spinning in his grave right now. --Eugene Raymond, staff writer for After Dark.
