

Music Theory Made Simpl(er): A Music Fundamentals Text

Music Theory Made Simpl(er) is an approach to music fundamentals centered on understanding the building blocks of scales and the circle of fifths. Suitable for both individual and classroom use, this text includes clear explanations and examples. It also contains review chapters and worksheets that further reinforce concepts.

Music Theory Made Simpl(er) takes the student from first recognition of notes on the staff to an understanding of complex chords. As a music fundamentals text, it lays a solid foundation for further study in music theory.
