

My Super Sweet Sixteenth Century

On the precipice of her sixteenth birthday, the last thing lone wolf Cat Crawford wants is an extravagant gala thrown by her bubbly soon-to-be stepmother and well-meaning father. So even though Cat knows the family's trip to Florence, Italy, is a peace offering, she embraces the magical city and all it offers. But when her curiosity leads her to an unusual gypsy tent, she exits right into Renaissance Firenze. Thrust into the sixteenth century armed with only a backpack full of contraband future items, Cat joins up with her ancestors, the sweet Alessandra and protective Cipriano, and soon falls for the gorgeous aspiring artist Lorenzo. But when the much-older Niccolo starts sniffing around, Cat realizes that an unwanted birthday party is nothing compared to an unwanted suitor full of creep-tastic more. Can she find her way back to modern times before her Italian adventure turns into an Italian forever?
