

## Nailed

One girl. Two guys. Who says threes a crowd? When Mandy takes an unusual summer job-in construction-she has to prove shes just one of the guys. But she gets more than she bargains for being the only girl on the job. The mixture of hot guys, sunscreen, raw wood and testosterone proves to be an elixir she cant protect her heart from. Brooding Boston and flirty AJ find themselves looking at Mandy as more than just a girl who holds a hammer. Mandy soon finds herself not only lost in a whirlwind of a male-dominated world, but also the center of an inadvertently constructed love triangle. Mandy must choose between two guys who want her heart. But whats a girl to do when she wants them both?
