

## Need

Zara collects phobias the way other high school girls collect Facebook friends. Its little wonder, since shes had a fairly rough life. Her father left when she was a baby, her stepfather just died and her mothers almost given up - in fact, shes sent her to live with her grandmother in cold and sleepy Maine to keep Zara safe. Zara doesnt think shes in danger; she thinks her mother just cant cope. Zaras wrong. The man she sees everywhere - the tall, creepy guy who points at her from the side of the road - is not a figment of her imagination. Hes a pixie. But not the cute, sweet kind with little wings. Maines got a whole assortment of unbelievable creatures. And they seem to need something - something from Zara . . .
