

## Next Door To A Star

Hadley Daniels is tired of feeling invisible. After Hadley's best friend moves away and she gets on the bad side of some girls at school, she goes to spend the summer with her grandparents in the Lake Michigan resort town of Grand Haven. Her next door neighbor is none other than teen TV star Simone Hendrickson, who is everything Hadley longs to be: pretty, popular, and famous and she's thrilled when Simone treats her like a friend. Being popular is a lot harder than it looks. It's fun and flattering when Simone includes her in her circle, though Hadley is puzzled about why her new friend refuses to discuss her former Hollywood life. Caught up with Simone, Hadley finds herself ignoring her quiet, steadfast friend, Charlotte. To make things even more complicated, along comes Nick Jenkins. He's sweet, good-looking, and Hadley can be herself around him without all the fake drama. However, the mean girls have other ideas and they fill Nick's head with lies about Hadley, sending him running back to his ex-girlfriend and leaving Hadley heartbroken. So when her parents decide to relocate to Grand Haven, Hadley hopes things will change when school starts, only to be disappointed once again. Cliques. Back-stabbing. Love gone bad. Is this really what it's like to live Next Door To A Star?
