

No Safe Place

Orphaned and plagued with the grief of losing everyone he loves, 15-year-old Abdul has made a long, fraught journey from his war-torn home in Baghdad, only to end up in The Jungle a squalid, makeshift migrant community in Calais. Desperate to escape, he takes a spot in a small, overloaded England-bound boat that's full of other illegal migrants and a secret stash of heroin. A sudden skirmish leaves the boat stalled in the middle of the Channel, the pilot dead, and four young people remaining: Abdul; Rosalia, a Romani girl who has escaped from the white slave trade; Cheslav, gone AWOL from a Russian military school; and Jonah, the boat pilot's ten-year-old nephew. As they attempt to complete the frantic and hazardous Channel crossing, their individual stories are revealed and their futures become increasingly uncertain. *No Safe Place* is a novel of high adventure and heart-stopping suspense by a writer at the height of her powers.
