

Content Ownership and Copyright (Essential Library of the Information Age)

The flow of information through our modern digital world has led to many new issues and controversies. Content Ownership and Copyright examines the role copyrights play in the areas of public domain, intellectual property, schools, and the digital realm. Compelling text, well-chosen photographs, and extensive back matter give readers a clear look at these complex issues. Features include essential facts, a glossary, additional resources, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.
