

NCLEX-RN Review Study Guide: Test Prep and Practice Questions for the NCLEX RN Exam

Think all NCLEX-RN study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time - and money! - having to study all over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the NCLEX-RN exam, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the NCLEX-RN Exam....and they get a variety of results. Trivium Test Preps NCLEX-RN Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the NCLEX-RN exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our NCLEX-RN study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; NCLEX-RN practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
