

## Oh Yeah, Audrey!

Its 5:00 a.m. on Fifth Avenue, and 16-year-old Gemma Beasley is standing in front of Tiffany & Co. wearing the perfect black dress with her coffee in hand just like Holly Golightly. As the cofounder of a successful Tumblr blog Oh Yeah Audrey! devoted to all things Audrey Hepburn, Gemma has traveled to New York in order to meet up with her fellow bloggers for the first time. She has meticulously planned out a 24-hour adventure in homage to Breakfast at Tiffanys; however, her plans are derailed when a glamorous boy sweeps in and offers her the New York experience shes always dreamed of. Gemma soon learns who her true friends are and that, sometimes, no matter where you go, you just end up finding yourself. Filled with hip and sparkling prose, Oh Yeah, Audrey! is as much a story of friendship as it is a love letter to New York, Audrey Hepburn, and the character she made famous: Holly Golightly.
