

## Learning to Breathe (Spinsation Book 1)

Lilly Abbotts life is going just the way her parents planned; she is doing well in school, and she is well on the road to becoming a singer just like her mother always dreamed for her. However, when tragedy strikes Lillys voice, she is forced to seek a new future or be doomed to live with all the regrets of her parents lives. She has idolized the members of the color guard for a long time for their outstanding ability to perform under any conditions. Auditions are coming up soon, and Lilly is hoping against everything that the color guard girls will accept her as one of their own. That is, if she can first survive the eighth grade.
