

Patty Paper Geometry

Written by Michael Serra, the best selling author of *Discovering Geometry*, *Patty Paper Geometry* contains 12 chapters of guided and open investigations. Open investigations encourage students to explore their own methods of discovery, and guided investigations provide more direction to students. Use *Patty Paper Geometry* as a supplement to your geometry program or even as a major course of study. Author: Michael Serra, Pages: 262, paperback, Publisher: Playing It Smart, ISBN: 978-1559530723
