

## The Catalyst Boxed Set - Books 1-3

The first three books in the five-book Young Adult novel series is available here in one single package. Follow Jack Erickson as he traverses the world of the paranormal with his family and friends, and learns a thing or two about life along the way. All titles are also available separately. Book 1 - Hawthorn Inn: Jack Erickson doesn't have great expectations when his mother moves them to an old decrepit inn in a town just as musty, but he's unprepared for the oddities that start springing out of the rotten woodwork. New friends introduce him to legends and rumors that have swirled around the inn since time-immemorial, and he finds plenty of proof to believe them as strange noises and twisted shadows stalk the halls. Worst of all, his estranged grandfather has invited himself to join them at the inn. Creepy doesn't begin to describe that black-cloaked gentleman with the pale skin and weird, ever-constant glasses. Old secrets, mysterious sealed-up rooms and creeping shadows abound as Jack tries to manage his new life at Hawthorn Inn. Book 2 - Sanctuary: Adventure and thrills return as Jack Erickson tries to settle down to a calm, relaxing life at Hawthorn Inn. He doesn't get that time to relax, though, when the inn receives its first guest even before it opens and his mom's investors arrive just a week before the big Halloween party the inn is hosting. Tensions rise and relationships evolve as Jack is thrown into more mystery and mayhem. Book 3 - Ghost Woods: Disembodied screams. Rumors of curses. Hidden wells long forgotten. Those are a few of the mysteries rising from the fog around the Ghost Woods, the stretch of trees surrounding Hawthorn Inn and the small town of Sanctuary. Jack again finds himself the focus of the eerie happenings as he makes new allies and learns more about his strange grandfather. Shadows lengthen and the danger deepens as Jack and his friends try to stay one step ahead of

their adversary.
