

Twisted (Pretty Little Liars, Book 9)

Four pretty girls have more ugly secrets than ever. It's been a year since the mystery of their former friends' disappearance was finally laid to rest, and Aria, Spencer, Hanna, and Emily have worked hard to put their lives back together. Now seniors in high school, the pretty little liars are older, but they're not any wiser. Last spring break in Jamaica, they did something unforgivable. The girls are desperate to forget that fateful night, but I saw everything. And they should know by now that all secrets wash ashore . . . eventually.
