

Public Speaking Topic Secrets For College, Community, Toastmasters and TED talks

...The book offers lucid and practical guidance to discover the purpose and tools to a great talk anywhere, everywhere. This little book is smart and genuinely human to help people stand up and effectively share their amazing ideas and thoughts with the rest of the world.... A practitioners toolkit to public speaking!- Nancy Katyal, Lead Image Coach and Soft skills Trainer, theperfectyou.in Good research and simple language. References of speeches will help the audience understand the topic more appropriately. This book is indeed a great read. Ideas that have been shared in this book seem to address the basic problem of selecting a topic. Impact of the book is so much that I already got an idea for my next speech.- Pritam Arekar, 2013 District 41 Toastmasters Humorous Speech Champion The book presents an amazing amalgamation of simplicity and efficacy of ideas in selecting speech topics. The gripping speech illustrations further help the reader in weaving the ideas into a storyline. The book is written with such spontaneity that it not only acts as a guide to Public Speaking but also ensures that the reader enjoys the journey of writing a speech. - Manisha Rana, Corporate Executive HR, ITC Stuck for a speech presentation because of lack of a speech topic idea?
