

Laughter and Licks: Five First Lesbian Sex Erotica Stories

How do you like the sound of this tale of lesbian awakening? Avoiding Arrest A First Lesbian Sex Erotica Story By Lisa Vickers Id pulled Star out of trouble since she was young but when I realized just how sexy she was I found my mind filling up with all sorts of fantasies. Id never been with a woman, and maybe this made me a bad person but I knew I could leverage the help Id given her to have my first lesbian experience. Sure, that probably made me a bad cop and sure I felt a bit like a bitch but it turned out that Star had plenty of experience in this area, and she was only too happy to share it with me! Thats just one of the steamy lesbian sex stories youll find in this collection. Click now and the girl/girl fun can be on your Kindle device in seconds. Warning: This ebook contains very explicit descriptions of sexual activity and includes reluctant sex, first lesbian sex, lesbian seduction, and more. Only mature adults who wont find that offensive should read this collection. Here are the rest of the first lesbian sex erotica stories in this bundle:

1. Dinner with Erica (Well We Didnt Really Eat) A First Lesbian Sex Erotica Story By Susan Fletcher Henny cant believe the way her thoughts about her friend Erica have changed lately. Her roommates body fills her mind and she finds herself completely and absolutely attracted to her. She had no idea how to deal with the situation but Erica does. At dinner, a spill of wine leads to some nakedness and Henny cant hide her arousal. Before long, shes in the middle of a sweet and powerful first lesbian sex experience.
3. Marlene Doesnt Disappoint A First Lesbian Sex Erotica Story by Cassie Hacthaw Frankly, I wanted the massage because the guy was hot. Id seen him earlier at the hotel and called to book a massage a little later. Hell, I didnt expect to actually sleep with him but I did get naked and did plan on accidentally dropping the towel or something. Id

worked myself up so I was pretty unhappy when a woman stepped into the room instead of the hot guy. I thought I was going to have a boring massage but when she started, the craziest thing happened. I wanted her. I really wanted her. Thankfully, she wanted me too!

4. **Tori Takes Over (And I Just Let Her!)** A First Lesbian Sex Erotica Story by Constance Slight Usually I was very aggressive when it came to sex but for some reason, when Tori kissed me I was unable to function at all! I'd never been with a woman but she kissed me and then kissed me more and then her hands started wandering. Before I knew it, I was right in the middle of my very first lesbian sex! I don't know if she was some kind of brilliant lesbian seduction expert or what. I do know that I couldn't have stopped her if I wanted to and I didn't want to!

5. **Vicki and Paige Got Caught! (And They Caught Me Right After!)** A First Lesbian Sex Erotica Story by Regina Walters When I walked in on my roommate having sex with a redheaded girl, I didn't mean to stare but I couldn't help it. Vicki saw me and winked at me so I rushed out of the room. A little later, she and the redhead came out and before I could get a handle on things, Vicki and her friend were taking off my clothes! I had my first lesbian experience with two girls at once!
