

Really Easy Piano: One Direction Bumper Songbook

This edition of the Really Easy Piano series is a bumper collection of 37 of the best One Direction songs from their massive career to date. All arranged for Easy Piano with simplified fingerings, each song also comes with some interesting background information and performance hints and tips for perfect Piano playing. Every one of these 37 songs is accurately and lovingly transcribed for Easy Piano, with simplified arrangements that retain the heart and power of each song. Simple guides to fingering are included, helping you to get those fingers into place, while there are also chord symbols and full lyrics, letting you play along exactly to how the song sounds. Not only this, but some fascinating background information on the songs is included, as well as really useful performance tips to help you hit those right notes first time. Taking songs from their first four albums, this songbook is a huge collection of the best and most popular One Direction songs on the airwaves right now. Since bursting onto the scene after an untimely exit from the X Factor, the five lads from humble backgrounds have become one of the biggest and most popular bands ever, breaking all kinds of records. Their success is here to stay, and this edition of Really Easy Piano allows pianists of all abilities to learn and play a massive 37 of their biggest hits so far. If you're a serious One Directioner or you just have a leaning towards simply great pop music, this Big One Direction Songbook is definitely for you. With 37 songs arranged for Easy Piano, you'll be playing all of their ridiculously catchy tunes in absolutely no time at all.
