

Ghost Town

Josie is suntanning herself at Long Beach in Washington state when her straw hat flies off her head. A seagull catches it and Josie chases him through the sand dunes back away from the beach. By the time she catches up with her hat she has stumbled upon a ghost town from one hundred years ago. The church is deserted. So is the bar and each house that she sees. This place takes on an eerie quality all its own as night comes on and people from long ago come to life and go about their nightly tasks. Josie is lost trapped in a time warp. How does she get back to the beach? She'd better figure it out soon or she, too, could become one of the lost. Ghost Town is brought to you by Edward Ware Thrillers YA, an imprint of Cheops Books LLC. If you liked Ghost Town you will enjoy other young adult mysteries by Linda Cargill such as Cat Sleuth, Pirates Ahoy, Wrong Way, Legacy, and Wilt.
