

## Riddle Rooms #3 : Past, Present and Future

Riddle Rooms #3 is a role-playing source book that can be used to enhance any campaign. Each encounter in Riddle Rooms #3 contains a riddle, puzzle or challenge that your players must overcome in order to solve the encounter. Because the obstacles presented in these encounters require thinking and problem solving, characters of any ability or skill level will be equally challenged. Past, Present and Future is the third in the Riddle Rooms series. The encounters here are designed to be used in fantasy, modern day, and futuristic role playing settings. Some encounters are specific to a time period or setting, many can be used in multiple settings.
