

Strategies Roulette: ROCK THE HOUSE

THIS BOOK SHOW AN EASY WAY TO BEAT THE CASINO WHEEL. Know the new way to make money at any casino in the world the method was developed by the master. He will teach you the way to get all the money you need and the secret will make you rich. Frequently asked questions:: * Why do you want to show me the system to make money? Because it was the wish of the master just before he died, to share with the human beings who are looking for the riches and try to make a balance between rich and poor, the master gives all his millions to the poor people before his death. * How effective is the method? Highly effective lets say invincible. * how many numbers do I need to keep in mind? 10 to 12 numbers. *sometimes should I change these numbers? Always you should bet on them but you need to wait for the right moment. * how many numbers do I need for the Roulette pre-analysis? You will need 200-350 numbers if you can get 400/500 much better is all depend on how easy you can get the data for a pre-analysis but you will need at least 200 numbers. * The data source can be from different wheels? No must be from one a unique source or roulette. * How long it will take me to get the numbers do I need from the roulette casino I expect to attack? It will depend on the time elapsed in between spins, the average spin time is normally 1.5 minutes. * How much money do I will need in obtaining such Data-numbers? You dont need money in order to record the data observed and write the numbers generated by the roulette you are planning to attack, we recommend classic roulette wheels with electronic screens integrated that way you do not need to be as close to the wheel in order to Record, It is your choice if you want to play while record data. * How long it takes to perform the pre-analysis? Once you get the data, the analysis does not take you more than an hour or two it

will depend in how fast you process the data. * How many roulette wheels I can Attack with the same analysis? Just one but as many times as you want. *how much money do I need to prove the system? It will vary all depend of the casino chips value if the chips value is \$1 we recommend you start playing 10 numbers which is \$1x10 numbers= \$10 bugs x spin and we recommend a reserve of 40 chips for a total invest of \$50 bugs we think is enough to resist and escalate to your goal only you can set the limits. > A Simple system developed by the master. If you really want money without limits need to buy and recommend this book to a minimum of 10 people, when youve done it I assure you that you will receive the blessing and power the Master might give you to get all the money you need and enjoy the secrets that are in this book. *I am the master I will give you all the energy and power to make you rich from my grave to all those who help me to make a balance between rich and poor people, try it.
