

Scouts Guide to MotoAmerica 2016 (Scouts Guide to Motorcycle Racing 2016 Book 3)

Cameron Beaubier, Josh Hayes, Roger Hayden, and the rest of the superstars of the MotoAmerica AMA/FIM North American Motorcycle Road Racing Championship are put under the microscope in this NFL-style scouting guide. Inside SCOUTS GUIDE TO MOTOAMERICA 2016, the styles, strengths, and weaknesses of the United States most gifted and dedicated motorcycle roadracers are broken down in excruciating detail. Every ranking and scouting report is based upon information gleaned via exhaustive interviews with a number of foremost MotoAmerica experts and insiders, including multiple top riders, team managers, and journalists. SGMA16 features in-depth analysis of the technique, talent, and tendencies of the sports titans and would-be kings. Areas of advantage are celebrated and vulnerabilities are exposed. SCOUTS GUIDE TO MOTOAMERICA 2016 includes: The SGMA16 Top 25 and the associated scouting reports of the riders who made the cut, including full profiles covering the 15 best racers in the MotoAmerica paddock. The technical proficiency, physical traits, and mental characteristics of Cameron Beaubier, Josh Hayes, Jake Gagne, Roger Hayden, JD Beach, Danny Eslick, and the rest of the nations leading roadracing heroes are dissected. The 14 skills and traits most likely to determine the outcome in todays hyper-competitive landscape. Which rider is the best off the stripe? Who is the corner-speed king? Who is the most precise? Who has the best racecraft? Who is the best at setting up a bike? More than 50 pages of bonus materials, including the 10 greatest AMA Superbike champions ranked (with special scouting notes on Mat Mladin and Ben Spies), the Superbike World Cup, MotoAmericas future prospects, and more. Praise for SGMA16s sister publication, SCOUTS GUIDE TO MOTOGP 2016: I am always a bit cynical

about things like this, as they tend to be written with an angle depending on who writes them. I intended to give the guide a quick look over but ended up reading it from cover to cover. The analysis, backed up with the comments from people in the paddock, make it incredibly engaging. I really enjoyed it and Im a jaded PR person! -- Ian Wheeler, Marketing & Communications Manager at Team Estrella Galicia 0,0 Marc VDS This digital book is awesome! Be the most knowledgeable MotoGP fan on your block! -- Greg White, motorcycle racing television personality Weve never had anything like this for MotoGP. It is an amazing read. -- Larry Lawrence, Cycle News Contributing Editor and one of the leading motorcycle racing historians in America You wont find a better guide to the 2016 MotoGP field than Chris Martins Scouts Guide. Absolutely outstanding. -- Louis Suddaby, BikeLive presenter for Downforce Radio, MotoGP reporter for TheCheckeredFlag.co.uk Heres an interesting project. A Scouts Guide to MotoGP by Chris Martin. Very good and interesting read. -- David Emmett, MotoMatters.com
