

Secret (Elemental)

Nick Merrick is stretched to the breaking point. Keep his grades sky-high, or hell never escape his hometown. Keep his brothers business going, or the Merricks will be out on the street. Keep the secret of where hes going in the evenings from his own twin, or hell lose his family. Keep his mind off the hot, self-assured dancer whos supposed to be his girlfriends partner. Of course, theres also the homicidal freak Quinn has taken to hanging around and the Elemental Guide whos counting the hours until he can try once more to kill the Merrick brothers. Theres a storm coming. From all sides. And then some. Nick Merrick, can you keep it together?
