

Seduce Me

Six erotic stories of Men who were made to Seduce and Satisfy Kingdom of Erotica: Pierce has heard about the Whirlpool, but he has never been there until tonight. The Whirlpool is new to the city, and it is rumored to be owned by a king and his princes who have come from a very exotic land. Pierce cannot resist the temptation to see what all the hype is about, having heard the most elaborate details about the Whirlpool from his friends. Knowing how his buddies like to exaggerate, especially when they speak about their sexual escapades, Pierce doubts that everything they have told him about the Whirlpool is true. ***** Pierce cannot wait to return to the Whirlpool tonight. He studies the card the man had given him the night before, and he tries to think of a friend he can bring with him tonight. Then he thinks of Aidan. Aidan cannot believe that anyone can get laid as easily as Pierce had the previous night, and he is awestruck by the personal invitation on the card which Pierce proudly displays for him. Tonight is Aidans virgin visit to the Whirlpool, just as last night had been Pierces virgin visit to the Whirlpool. Master and Me: Determined to take a picture of the elusive king, Brody easily sneaks inside the palace gate only to be met by one of the kings servants. Brody not only has his dream fulfilled of seeing the king without his full body covering adornments, but he soon realizes that he will be playing a starring role in the kings favorite ceremonial ritual. Den of Desire: When Don confesses his secret lust to his friend Mike one night by accident, he knows exactly where Don can have his secret lust fulfilled. Mike knows this place well, and he assures Don of its privacy and exclusivity. He also assures Don that no man leaves the Men Only Resort unfulfilled. Island of Fantasy Pleasures: Brett can not resist the opportunity to take a trip to the Island of Fantasy Pleasures, which is also known as

the Island of Erotic Pleasures. Only a few of his friends have been and they have only reported that it was good. Brads Friday Guy: Brad has never seen his friend and coworker at his club before tonight. This Friday his friend seems different. Brad quickly learns that his friend has come here for more than a drink. My Brothers Secret Lover: With the house dark, Scott thinks that no one is home, so he invites his lover inside. As they begin to do what they have come here to do, they do not realize that they are not alone. Someone is watching them.
