

## Seduced by my Roommate (M/M First Time Erotica)

Rob is a sheltered young man leaving his parents home for the first time as he goes off to college. He adjusts easily to life at university, but he can't help but feel that his life without many friends is boring. He decided to confide in his roommate Gavin for help. Gavin is a member of the university rowing team, works out almost every day, and is incredibly handsome to top it all off. And when Rob discovers that Gavin is gay, he isn't sure what to think of his perfect roommate. Gavin's amazing body is hard to resist, and before he knows it, Rob realizes he's being seduced by his roommate! Warning!
