

From the Horses Mouth (Sabrina The Teenage Witch)

A horse is a horse.... Staying on a horse is hard, and learning to ride is even harder. Especially when, for her Phys Ed beginner equitation class, Sabrina is assigned to ride a cranky and lame critter. His name? Mission Impossible. Uh-oh. If Sabrina can't learn basic horsemanship in the next two weeks, snobby classmate Debra will snicker, and worse, Sabrina's horse might be sold to a run-down rental stable. There's no time for horsing around. Looks like this might be an impossible mission for Sabrina, until Mission Impossible starts talking!
